THE MAGAZINE OF WESTERN LIVING

# INDEX TO ALL EDITIONS • JANUARY 1977 TO DECEMBER 1977

## HOW TO USE THIS INDEX

SUNSET *is published each month in four editions.* Because of the climate and other differences, many articles run in only one or two of the four editions. You can tell which edition of SUNSET you read by looking at the contents page of the magazine. At the upper left corner of the page you will see the name of the edition:

*Northwest* edition for Alaska, Washington, Oregon, Idaho, Montana, and Wyoming.

*Central* edition for northern and central California, northern Nevada, Utah, and Colorado.

*Southern California and Hawaii* edition for coastal Southern California and Hawaii.

*Desert* edition for southeastern California, southern Nevada, Arizona, and New Mexico.

*In the index listing,* N denotes Northwest edition; C, Central edition; S, Southern California edition; and D, Desert edition. The word "all" tells you that an article has appeared the same month and page in all four editions. Index listings are written as follows: May 76 N, C (May, page 76, Northwest and Central editions).

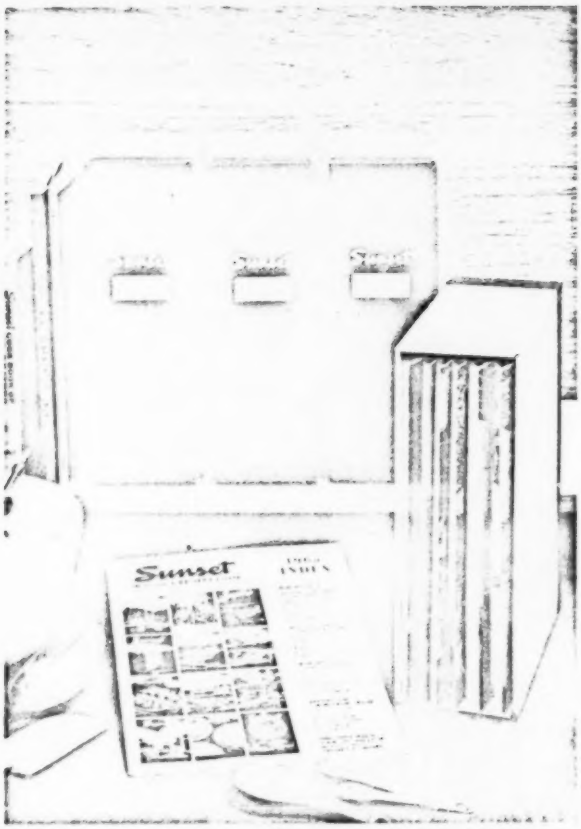
# Notes



# Two good ways to save your copies of *Sunset*
## ...choose the one that fits your needs

**Our most popular and economical way** of making past issues of SUNSET more useful. Each sturdy cardboard **Magazine File** holds six issues.

Files assemble in seconds and last for years. Use on your bookshelf or in the kitchen or workshop—anywhere you need and use SUNSET. You receive one **index (any year) and two 6-month files: $2.50**

**This handy 12-issue Binder** opens flat for easy reference. Covered in dark green leatherette and imprinted with the year you specify, the binders are handsome additions to your bookshelf.

When used with the annual SUNSET Index, each full binder becomes an encyclopedia of gardening, travel, food, and building. **12-issue Binder: $5.50**

**Whether** you choose magazine files or the binder, your SUNSETS become more valuable to you. Copies are best kept together neatly and attractively, protected against damage and ready for use.

**Binder** orders should specify the number of single units desired (12 issues per binder) and the years you wish imprinted. Imprinting available for each of past ten years plus current and next year. Binders: $5.50 each (with index, add $1.00).

**Magazine File** orders should specify the number of pairs (a pair holds 12 issues) and the year of the index you wish with each pair. But *no year* need be specified for the files as they are not imprinted and may be used for *any* year. One pair magazine files, plus one index: $2.50.

**Indexes** are available for each of the past ten years. Please note that indexes are included in the price *only with magazine files*; ordered otherwise, $1.00 per index.

**Add 6% sales tax on California orders.**

**Please add $1.00 postage on binder or** file orders outside California, Oregon, Washington, Arizona, Nevada, Idaho, Utah, Montana, Wyoming, Colorado, New Mexico, Alaska, and Hawaii.

**Show your ZIP Code to speed delivery.**
